 - ii) treat your policy as if it had included the different terms (other than payment of the premium) that we would have imposed had you made a fair presentation.
- d) Where **we** elect to apply one of the above then
 - i) if we elect to make your policy void, this will be from the start of the policy, or the date of variation or from the date of renewal
 - we will apply the formula calculated by reference to the premium that would have been charged to claims from the start of

the **policy**, or the date of variation or from the date of renewal
